

Content of List Selected Items in a Multi-select Listbox.vbs (Site 1)

' Description: Sample HTML function that lists all the items that were selected in a multi-select listbox.

```
Sub RunScript
  For i = 0 to (Dropdown1.Options.Length - 1)
    If (Dropdown1.Options(i).Selected) Then
      strComputer = strComputer & Dropdown1.Options(i).Value & vbcrf
    End If
  Next
  MsgBox strComputer
End Sub
```
