

Content of Set a User Account So It Never Expires.vbs (Site 1)

' Description: Configures the MyerKen Active Directory user account so that it never expires. This is done by setting the expiration date to January 1, 1970.

```
Set objUser = GetObject _  
    ("LDAP://cn=MyerKen,ou=Management,dc=NA,dc=fabrikam,dc=com")
```

```
objUser.AccountExpirationDate = "01/01/1970"  
objUser.SetInfo
```
